## Kontrolni ventil, lahka izvedba, nerjavno jeklo, G 2

Kategorija: [Check valve straight-way type, lightweight series](#)

Šifra: **103856RIE**

### Kratek opis

Check valve, Lightweight construction, Stainless steel 1.4301, Operating temperature -20 °C to 150 °C, G 2, PN max. 16 bar  
Stainless steel check valve with full bore and very low opening pressure, no maintenance required.  
Applications: Compressed air, water, neutral gases, gaseous and liquid non-corrosive media, oils.

### Tehnične Specifikacije

|                               |                        |
|-------------------------------|------------------------|
| Min. delovna temperatura [°C] | -20                    |
| Navoj                         | G 2                    |
| Ohišje                        | Stainless steel 1.4301 |
| Tesnilo                       | FKM                    |
| Vzmet                         | Stainless steel 1.4301 |
| Min. tlak odpiranja [bar]     | 0.03                   |
| Max. obratovalni tlak [bar]   | 16                     |
| A [mm]                        | 64.0                   |
| C [mm]                        | 89.0                   |
| L [mm]                        | 120.5                  |
| Max. delovna temperatura [°C] | 150                    |
