## krogelni ventil »ventil linija«, modra ročica, IT/IT, G 1 1/4

Kategorija: [Ball valve with blue hand lever, IT/IT](#)

Šifra: **115716RIE**

### Kratek opis

Ball valve »valve line« Hand lever blue, Nickel-plated brass, IT/IT, G 1 1/4, DN 32, Operating temp. -20°C to 120°C, PN max 25 bar

Extremely economical standard ball valves made of nickel-plated brass for compressed air, water, non-toxic and non-corrosive gases and liquids.

### Tehnične Specifikacije

|                               |                                        |
|-------------------------------|----------------------------------------|
| Min. delovna temperatura [°C] | -20                                    |
| Krogelno tesnilo              | PTFE                                   |
| Krogla                        | Nickel-plated brass                    |
| Material navojev              | Nickel-plated brass                    |
| Navoj                         | G 1 1/4                                |
| Ohišje                        | Nickel-plated brass                    |
| Ročica                        | Steel Q235-A (1.0038) with PVC-coating |
| Standardni navoj              | G thread acc. to DIN EN ISO 288-1      |
| Stebelno tesnilo              | NBR                                    |
| Max. obratovalni tlak [bar]   | 25                                     |
| C Ø [mm]                      | 30.0                                   |
| DN                            | 32                                     |
