## prik. Ž, M33x2.0i., zun. premer Ø 28, galvan.jeklo

Kategorija: [Female connector, metric thread, light type](#)

Šifra: **159120RIE**

### Kratek opis

Female connector, M33x2.0 i., Pipe exterior Ø 28, PN max.  
160 bar, a/f1 41, a/f2 41, galvanised steel  
Female connector, metric thread, light type

### Tehnične Specifikacije

|               |                             |
|---------------|-----------------------------|
| Material      | Galvanised steel (DIN 2353) |
| Navoj         | M33x2.0                     |
| O.D. cev [mm] | 28                          |
| a/f 1 [mm]    | 41                          |
| a/f 2 [mm]    | 41                          |
| L1 [mm]       | 55.0                        |
| PN [bar]      | 160                         |
