Zaporni ventili manometrov, pipa - vpenjalni tulec, G 1/4

Kategorija: [Pressure gauge stopcock, male - female/female](#)

Šifra: **102656RIE**

Kratek opis

Block valve pressure gauge, Taps - tension sleeve, bright brass housing, steel tension sleeve, G 1/4, PN 6 bar, AF 17, max. 50 °C

It is useful to install a stopcock as a shut-off element between the pressure gauge and the pipe.

When the lever is set to the »blow out« position, the medium is discharged into the atmosphere.

Stopcocks with a test port allow pressure gauges to be simultaneously connected to the pipe.

Tehnične Specifikacije

Aplikacije

For all pressure gauges with a flat gasket acc. to DIN 16258

Konektor z notranjim/zunanjim navojem

Phosphatised steel

Navoj

G 1/4

Ohišje

Brass with a bare metal surface

Različica

male / female/female

Ročica

Plastic

Standard

DIN 16262-B
